

### **Abstract Sentence Frames**

*Use this as a starting place to make sure you include all key details while writing your abstract. The Abstract must be less than 200 words. However, it does not add to the paper's word count.*

**This experimental research was conducted with the aim of...**

**It is a replication of....(Study Name & Date).**

**Within this study, the independent variable tested was... and the dependent variable was...**

**A \_\_\_\_\_ design was used and the participants were selected using \_\_\_\_\_ method.**
